

Clutch Recognizes PRITI Research & Consultancy Limited as one of the Best Market Research Companies in Bangladesh

PRITI Research & Consultancy Limited recognizes the importance of market research for any company or business regardless of the industry. Since 2018, our team has been helping our clients as they look to improve their businesses and even processes. We offer marketing, social, and corporate research and consultancy.

We aren't going to focus on the services we offer today, but rather on a new achievement we just unlocked. The PRITI Research & Consultancy Limited team is delighted to announce that we are one of the best market research companies in Bangladesh according to Clutch. This recognition means a lot to us and we are truly excited to celebrate this amazing milestone with all of you!

Clutch, for those who aren't familiar with their platform, is an established platform in the heart of Washington, DC, committed to helping small, mid-market, and enterprise businesses identify and connect with the service providers they need to achieve their goals.

We are grateful to Clutch and their team for bestowing us with the title of one of the [2022 leaders](#) on your platform. Our team would also like to extend our gratitude to our clients and partners for their amazing support. You guys are the reason why we are able to bag amazing awards, such as this one, from the industry.

Here is our Managing Director, Naemur Rahman, to talk more about this award:

"The award from Clutch for "The Best Market Research Company in Bangladesh" has made remarkable things for us. Among all other competitors, we have achieved this award which makes us very happy & responsible for doing better & holding the continuity of this honor."
